**What's new:**

- **MLS:** Created MLS players in Career Mode. You can pre-order Brazil, Argentina and Mexico stars from the new Player faces in this release. This release also features custom kits for the MLS. Mexico players have more muscular physiques and Brazil and Argentina players have a sharper contrast between shirt and socks and sleeveless shirts. You can choose your appearance any way you want with the Personalise kits.
- **Premier League:** New player faces for England and Germany. You can customize England and Germany players in your squad. England player faces have a more muscular physique and player faces for Germany have a tighter t-shirt collar, t-shirt sleeves and trouser hem. Germany shirts feature a thin soccer collar.
- **COMPETITION:** 22 players are new to the Tournament mode which was introduced in FIFA 21. This includes four more goalkeepers, seven new defenders, five new midfielders, five new forwards and two new goalkeepers. You can now choose European or International tournaments for a total of 200 matches. The Euro 2016 tournament is coming to FIFA 22 as well.
- **GAMEPLAY:** In FIFA 22 you can personalize your player designs by customizing player faces, hairstyles, t-shirt numbers and shirt designs. Changes include the ability to undress your player and make changes to your player's personal appearance before they enter a game. In addition, the new Dynamic Player Traits are now persistent until you enter a stadium for a match. Unlike previous games, you can have different player traits on your left and right sides.
